Often an after thought, your store's fitting rooms can make a big impression on your clientele. Pearlite has been installing top quality fittings rooms for major retailers throughout western North America.

We supply standard and accessible size doors & benches, single pane mirrors, 3-way mirrors, and all relevant hardware. We are not limited to colour or laminate choices. With Pearlite we match your unique decor requirements and can deliver substantial savings with larger orders and longer lead times.

As an experienced retail supplier, Pearlite will provide you with all hardware and accessories required for your store's fitting rooms.

Your fitting rooms must adhere to the store's aesthetic environment, your client's needs as well as state and federal disability guidelines. By using Pearlite's qualified crews you will be assured of a qualified, cost effective installation.
